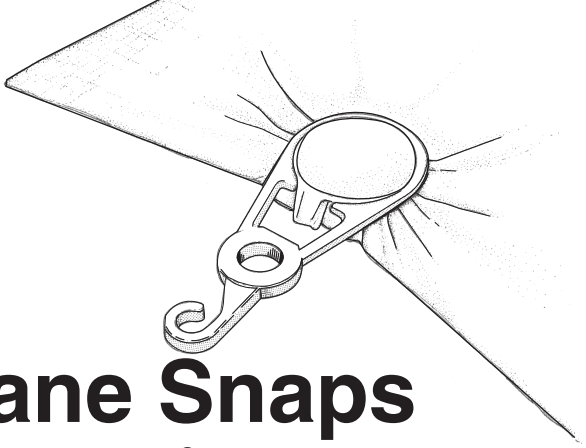
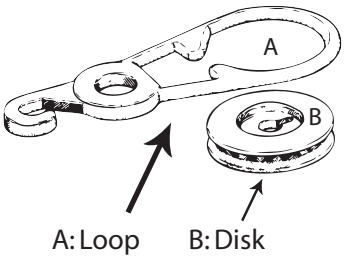
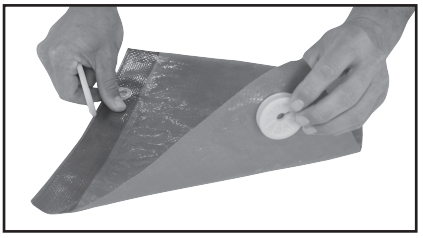
Model #33



Hurricane Snaps

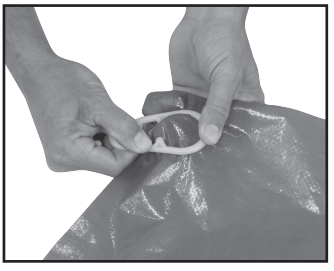
Reusable Grommet for Tarps



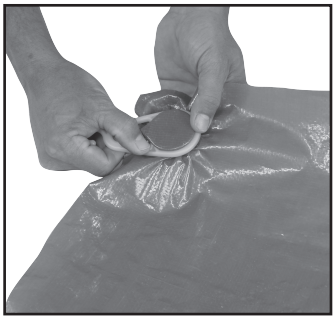


Step 1
Hold disk B on the back of the tarp.

Step 2
While holding disk B on tarp, place loop A on the other side of the tarp.



Step 3
Roll loop A with tarp layer in between disk and loop.



Step 4
Secure by pushing disk B completely into loop A.

Step 5
Super Snap is ready to be utilized. Hook your choice of fastening material into hole.
